Article 24 Barrington Commons and Town Center Tax Increment Financing District

To see if the Town will vote to purchase the 13-acre lot at Map 239, Lot 7 (to become the Town Center and a park) using Tax Increment Financing as the funding source. A tax increment financing district does not increase taxes. It affects property taxes because, for the period that the district is in place, taxes paid from new development within the district (tax increments) are used to pay for public improvements in the district, such as the Barrington Commons park; and not placed in the general fund. After the district expires, all value, including the new value, is returned to the tax lists. The Barrington Commons and Town Center Tax Increment Financing District is set to expire after eight years and to:

- a. Establish the Barrington Commons and Town Center Tax Increment Financing (TIF) District in accordance with RSA 162-K (adopted by Barrington Town Meeting in 1988). The proposed district includes 79 properties near the Routes 125 and 9 intersection as represented in the map found in Section 5 of the Development Program and Financing Plan adopted by the Select Board on December 11, 2023.
- b. Adopt the provisions of the Barrington Commons and Town Center TIF District Development Program and Financing Plan adopted by the Select Board on December 11, 2023 in accordance with RSA 162-K:6 and RSA 162-K:9. Copies of the Town Center TIF District Map, Development Program, and Financing Plan are available at the Town Hall and online at www.barrington.nh.gov/tif.
