Subdivision, Site Review, and Lot Line Adjustment Application Checklist
Barrington Planning Board
Adopted January 20, 2009

This checklist is intended to assist applicants in preparing a complete application for subdivision as required by the Barrington Subdivision Regulations and must be submitted along with all subdivision applications. An applicant seeking subdivision approval shall be responsible for all requirements specified in the Barrington Subdivision Regulations even if said requirements are omitted from this checklist.

An applicant seeking subdivision approval shall be responsible for providing all the information listed in the column below entitled "Subdivision" and should place an "x" in each box to indicate that this information has been provided. If an item is considered unnecessary for certain applications the "NA" box should be marked instead indicating "Not Applicable". Only certain checklist items are required for lot line adjustments, as noted by the applicable check boxes below.

APPLICATION AGREEMENT

I hereby apply for Subdivision Plan Review and acknowledge I will comply with all of the ordinances of the Town Of Barrington, New Hampshire State Laws, as well as any stipulations of the Planning Board, in development and construction of this project. I understand that if any of the subdivision Plan or Application specifications are incomplete, the Application will be considered rejected.

In consideration for approval and the privileges accruing thereto, the subdivider thereby agrees:

E. To carry out the improvements agreed upon and as shown and intended by said plat, including any work made necessary by unforeseen conditions which become apparent during construction of the subdivision.

E. To post all streets "Private" until accepted by the Town and to provide and install street signs as approved by the Selectmen of the Town for all street intersections.

E. To give the Town on demand, proper deeds for land or rights-of-way reserved on the plat for streets, drainage, or other purposes as agreed upon.

E. To save the Town harmless from any obligation it may incur or repairs it may make, because of my failure to carry out any of the foregoing provisions.

E. Mr/Mrs Hatch of Barrington, NH to whom all communications to the subdivider may be addressed with any proceedings arising out of the agreement herein.

Signature of Owner: David Hatch

PETITION FOR SUBDIVISION REGULATION WAIVERS

NAME OF SUBDIVISION:	Hatch Parcels 4 & 5
SITE LOCATION:	Second Crown Point Road & Pond Hill Road (Map 206, Lot 20)
ZONING DISTRICT(S):	Genereal Residential
NAME OF LOT OWNER(S):	Douglas & Dawn Hatch
OWNER'S ADDRESS(1):	61 Second Crown Point Road
OWNER'S ADDRESS(2):	Barrington, NH 03825
NAME OF DEVELOPER:	Douglas & Dawn Hatch
NAME OF LAND SURVEYOR:	Randy R. Orvis LLS#652 of Geometres Blue Hills LLC

The Hatch family is seeking waivers to the Town of Barrington Subdivision Regulations for the above mentioned proposed subdivision. This formal petition is being submitted as per Articles **5.3.1(6) & 5.3.1(9)** of the Town of Barrington Subdivision Regulations. The waivers being requested are from the following regulations:

ARTICLE 5.3.1(6) & 5.3.1(9) – Initial Phase (Existing Features and topographic contours)
We request a waiver to this regulation as far as showing all of the existing grades, contours and natural features across the entire 11.58 +/- acres of the parent lot. We have shown the existing conditions to prove minimum required lot area on each proposed lot.. We feel it would be a substantial unnecessary cost to the Hatch family to locate and demonstrate the contours and natural features of the entire lot.

Thank you for considering our petition,

Randy R. Orvis L.L.S. (#652) — 06/11/2014 Date
