Map 220, Lot 33**

Dear Ms. Gasses:

On behalf of our client, Barrington General Repair, LLC, we respectfully submit the amended plans for review and consideration by the Planning Board. The Site Development Plans were previously submitted by Berry Surveying & Engineering and approved on June 29, 2011 for the above referenced project location.

The amended plan includes additional parking spaces to be dedicated to the auto and truck repair building. All proposed parking spaces are proposed on existing paved surfaces and meet Town requirements for parking stall size and width of travel way. There are no proposed changes to lighting, utilities, and landscaping. Only pavement striping is proposed as part of this Amended Site Plan.

If you have any questions, please feel free to call at 431-2222.
