The responsibility for compliance with all applicable building codes, town ordinances and state laws rests solely upon the property owner and his/her agent. Plans (when required) must be submitted to the Barrington Code Enforcement Department for approval. **Inspections are required.**

Instructions for Permit Applications

1. All information must be printed legibly.
2. Owner name, address and phone number.
3. Location and address of work site.
4. Complete description of work to be done.
5. Number of fixtures, appliances and equipment to be installed.
6. Plans must be submitted on all new buildings and major renovations.

Notes:

It is the responsibility of all contractors, electricians and plumbers to obtain the necessary permits from the Code Enforcement office at Town Hall **before** any work has begun. Work must begin within six (6) months of the issuance of any permit.

Permits are non-transferable. If this is an "After the Fact" permit, it will be subject to a fee two times the normal permit fee.

Contractors must have a valid license from the State of New Hampshire to obtain a permit. Permits are not transferable.

It is the responsibility of the contractor to obtain all inspections required. A rough-in inspection is required before any work is covered, and a final inspection is required when all work is complete. A minimum twenty-four (24) hour notice is required for any inspection. **This signed application constitutes consent on the applicant's part to allow for all inspections at the property location listed.**

No permit will be issued until all of the above information is furnished, and all the above conditions met.

If you have any questions, feel free to contact the Code Enforcement office at (603) 664-5183

Statement of compliance:

I have read and understand the statement and hereby agree to all of the terms stated therein. I agree to abide by any and all codes relating to my field of work, including all national, state and local codes. I also realize that any false statement made in the application for permit may be grounds for revocation of said permit.

Code Enforcement Approval would certify that the applicant could proceed with certain building improvements in accordance with the specifications submitted. Any deviation from the specifications submitted will require an amendment to this permit or additional permits.
