Article 20 By Petition: Prevent Nuclear War

Whereas nine nations collectively have approximately 15,000 nuclear weapons and the detonation of even a small number of these weapons would have catastrophic human and environmental consequences that would affect everyone on the planet;

Whereas the United States maintains several hundred nuclear missiles on "prompt launch" (hair-trigger alert), capable of being launched within minutes of a Presidential order, which greatly increases the risk of accidental or unauthorized launch;

Whereas the United States continues to reserve the right to use nuclear weapons first, which would likely trigger immediate retaliation;

Whereas the U.S. President has the sole and unchecked authority to order the use of nuclear weapons;

Whereas over the next 30 years, the United States plans to spend an estimated \$1.7 trillion to replace its entire nuclear arsenal;

Whereas taxpayers already spend over \$2 million every hour of every day to maintain the U.S. nuclear arsenal;

Whereas the United States as well as Britain, China, France, and Russia, are obligated under the Nuclear Non-Proliferation Treaty (NPT) to take concrete steps toward eliminating their nuclear arsenals;

Whereas in July 2017, 122 nations approved the Treaty on the Prohibition of Nuclear Weapons which makes it illegal under international law to develop, test, produce, manufacture or otherwise acquire, possess or stockpile nuclear weapons or other nuclear explosive devices;

Therefore, we call on the United States to lead a global effort to prevent nuclear war by:

- renouncing the option of using nuclear weapons first;
- ending the sole, unchecked authority of any president to launch a nuclear attack;
- taking U.S. nuclear weapons off hair-trigger alert;
- cancelling the plan to replace its entire arsenal with enhanced weapons; and
- actively pursuing a verifiable agreement among nuclear-armed states to eliminate their nuclear arsenals.

Article 21 By Petition: Resolution, Act on Climate Pollution

We the town of Barrington hereby call upon our State and Federal elected representatives to enact carbon-pricing legislation to protect New Hampshire from the costs and environmental risks of continued climate inaction. To protect households, we support a Carbon Fee and Dividend approach that charges fossil fuel producers for their carbon pollution and rebates the money collected to all residents on an equal basis. Enacting a Carbon Cash-Back program decreases long-term fossil-fuel dependence, aids in the economic transition for energy consumers, and keeps local energy dollars in New Hampshire's economy. Carbon Cash-Back has been championed by US economists (Jan 17, 2019 WSJ) as the most effective and fair way to deliver rapid reductions in harmful carbon emissions at the scale required for our safety.

We expect our representatives to lead in this critical moment for the health and well-being of our citizens and for the protection of New Hampshire's natural resources upon which we all rely.

The record of the vote approving this article shall be transmitted by written notice to Barrington's State Legislators, to the Governor of New Hampshire, to Barrington's Congressional Delegation, and to the President of the United States, informing them of the instructions from their constituents, by Barrington's Select Board, within 30 days of this vote. Article 22 By Petition: Resolution for Fair Redistricting

By petition of 25 or more eligible voters of the town of Barrington, NH to see if the town will urge that the New Hampshire General Court, which is obligated to redraw the maps of political districts within the state following the 2020 census, will do so in a manner that ensures fair and effective representation of New Hampshire voters. That in order to fulfill this obligation the New Hampshire General Court shall appoint an independent redistricting commission that draws the new district maps in a way that does not rely on partisan data such as election results or party registration or favor particular political parties or candidates.

The record of the vote approving this article shall be transmitted by written notice from the selectmen to the town of Barrington, NH's state legislators and to the Governor of New Hampshire informing them of the instructions from their constituents within 30 days of the vote. (BY PETITION)
